<u>Wait List</u>				

This was the first week where we have had a full draw for Ladies Night. It is a possibility in the coming weeks that we see the need for a waiting list to be created. It is imperative that you only put the names on your ballot of those who are actually available to play, and that if changes need to be made, you confirm with us as soon as possible so that those who do want to play are able to get into the draw. Thank you for your understanding and co-operation.
