Name not on the list?

Given the nature of our Final Ladies Night, there are simply more golfers than we are able to accommodate for the final night. We have tried to prioritize groups based on when their ballot for the final night was received, how much they participated through the year, and as

importantly. Their attendance when their group was scheduled to play on a particular week.

We had 5 groups that we needed trim, and I apologize if one of those groups was yours.
